Masai School   Farrukhabad, Uttar Pradesh

Bachelor Of Computer Application (BCA)   07/2021 – 06/2024
MakhanLal Chaturvedi University, Bhopal   Farrukhabad, Uttar Pradesh

---

SKILLS

Technical Skills — React.js | Mongodb | Node.Js | Express.Js | Redux | Git | GitHub | HTML | CSS | Tailwind CSS | Javascript | Data Structure And Algorithms

Soft Skills — Problem-solving | Time management | Effective Communication | Adaptability | Leadership

---

PROJECTS

Property Listing Platform 🔗   07/2025 – 07/2025
React.js, Tailwind CSS, Node.js, Express.js, MongoDB Atlas, Render/Netlify

FindMyHome is a modern property listing platform where users can explore and save properties with ease. It features advanced search filters, interactive maps, and a seamless user experience for buyers, sellers, and agents.

MemeHub Platform (Team Project) 🔗   05/2025 – 05/2025
React.js, Tailwind CSS, Firebase, Netlify

It is a next-gen meme-sharing platform where users can generate, upload, and share memes, engage with a vibrant community, and track their memes as they rise to viral fame.

Voting System 🔗   04/2025 – 04/2025
React.js, tailwind CSS, Firebase, Netlify

An advanced city-wise voting application built with React, Firebase Realtime Database. This system allows voters to register, authenticate their identity via Login, and securely cast a vote in their respective city.

CERTIFICATES

Hackathon Participation Certificate 🔗 — I led a team during a hackathon where we built **MemeHub**, a fully functional meme-sharing platform, within just 2 days. I was responsible for coordinating development tasks, ensuring smooth collaboration, and guiding the team through rapid problem-solving and deployment.

Web Develepment by Great Learning 🔗 — I successfully completed a Web Designing course by Great Learning, where I gained practical knowledge in HTML, CSS, and responsive design principles.
